## Bonded Importer Monthly Estimated Payment

### General Information:

Monthly estimated payments are due for each of the first two months of the quarterly report period. The Bonded Importer Monthly Estimated Payment will be filed for the months of: January, February, April, May, July, August, October, November. This report must be filed by the 20th day of the month following the end of the report period. The Importer Tax Return, filed quarterly, must provide detailed information on all products and payments included in the Bonded Importer Monthly Estimated Payment.

This report should include:

- **Imports from outside the United States** by licensed Bonded Importers when tax is not paid to supply source. An import verification number must be obtained prior to import.
- **Diversions** on all fuel acquired outside Michigan, not intended for a Michigan destination, but diverted to Michigan. A diversion number must be obtained prior to diverting.

### To Obtain the Appropriate Authorization Number Call:

**Import Verification Number** 1-888-213-0676

**Diversion Number** 1-888-367-1600

### Instructions

**Report gallons being imported or diverted into Michigan on the appropriate line (page 1, lines 8 through 11).**

**Line 9b:** Enter the gallons of Dyed Diesel Products imported into Michigan. No tax calculation is needed.

**Line 11. Miscellaneous:** Enter name of the miscellaneous product. If you are reporting more than one miscellaneous product attach a summary that identifies each, and report the total gallons on line 11. Calculate the tax due.
